Dear Nanka Board of Directors,

You are receiving this message as you are a registered Dojo Member of Nanka.

During the Nanka BOD meeting held on May 28th, 2023 it was stated that in response to the situation we found ourselves in due to USA Judo formally withdrawing from the American Judo Alliance Agreement and the subsequent response of the USJF, Nanka would endeavor to find workarounds to allow us to continue to do business as normal, while scheduling an opportunity to discuss and debate the situation in person at our Annual General Meeting. The AGM is scheduled Sunday August 13th, 2023, and is to be held at the Southeast Japanese School and Community Center (the home of Norwalk Judo). The invitation and Agenda for this AGM will be published shortly.

It is important to note that any decisions will be made by the Nanka Board of Directors consistent with our By-Laws. We indicated that a document that describes the circumstances of the situation in detail and suggest choices for the Nanka BOD to review and consider as a potential response would be made available one month prior to the AGM. The document should be considered as basis for discussion and the options have been presented in an unbiased manner. The document is the work of the Nanka leadership team who as elected officers have a fiduciary responsibility and duty to act in the best interests of Nanka, its mission, goals, culture and history.

A special email address (agm@nankajudo.com) has been created to facilitate the sharing of any additional information or content that we could include in the document. This email is not intended to be a platform for expressing opinions. That would be best done during the actual debate at the AGM.

Any email sent to this address will be automatically forwarded to the contact email of your club. If you wish to change your email or be removed from any forwarded email, please send a request to agm@nankajudo.com.

I look forward to seeing you at the AGM on Aug 13. If personal attendance is difficult, we will provide a zoom link as well. It is my hope that all registered clubs will participate in this very important meeting.

Yours sincerely

Keith
